A Busy Summer!

There were 7 busy weeks of summer camp, 7 weeks of competitive gymnastics and dance, and 8 weeks of summer recreational gymnastics and karate! Thanks to our instructors for their hard work, and dedication to making our facility a great place to train!

This is the year of change... Gymnastics Ontario has adopted the USA Junior Olympic Program, and the RAD is changing the syllabus for Grades 3 to 5 ballet, and Advanced Ballet. Our instructors have attended many courses to continue to provide our clients the high quality programs we offer at Dancemakers!
