This is going to be a very long day. Please be patient. If your child has long wait times between photos send them with snacks/lunch and quiet games to keep them occupied while waiting. It is extremely important to have costumes/accessories and props labeled and organized especially if you are in multiple dances. Don't forget to look the part – you must wear your comp hair and proper make-up (for comp and Showcase dancers).

Make-up for Comp and Showcase dancers – pink blush, red lips, black eyeliner with a small wing, brown eye shadow, black mascara, false eyelashes for ages 12+ dancers.

Costumes – Please put Showcase costumes back in the corresponding costume box and leave it at the studio. Take Comp costumes home. Please make sure to pay your

costumes fee at the front desk and make sure your child has the correct shoes for their dances.

Scheduling change – Shea’s classes will be the only classes cancelled for this day due to chaos, lack of space, and scheduling issues. All other dance/gym classes will run as per usual. If you have a comp solo on Saturday with Shea, you are welcome to come in at 9am Saturday morning to run through your dance one last time before OTF on Sunday. Senior dancers who have solos on Saturday can run their dances Friday night. **Grade 1 ballet time change** – your class will run from 10:30-11:30 instead of 12-1 for this Saturday only.

Purchasing photos – Please fill out a photo form (at the front desk). This should be done BEFORE the photo day. Remember payments must be payable to ****Photomega Multimedia**** by cheque or cash only. Do not make cheques payable to Dancemakers. We highly recommend ordering photos, the company does a fantastic job and photos make for great memories.
